Priority

Receipt of application 9920394.5 is acknowledged.

Claim Rejections - 35 USC § 112

Claims 3, 5-8 and 11-15 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Recitations such as "the a" on line 14 of claim 15 render the claims indefinite because they are grammatically awkward and confusing.

Allowable Subject Matter

Claims 3, 5-8 and 11-15 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action.

The following is a statement of reasons for the indication of allowable subject matter: the prior art of record, absent applicant's own disclosure, fails to teach the entire combination of elements set forth in the claimed invention. Specifically, the prior art of record fails to teach the distal edge portion including the lip of the third integral channel side wall of the channel arrangement being sized and positioned along said region of the channel arrangement to substantially overlies the first side wall of said insert thereby to completely cover the insert from view through the window glass in all directions from the second environment to the first environment. See lines 41-44 of claim 15.

Conclusion

THIS ACTION IS MADE FINAL. Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
